

## SALE OF C. P. & ST. L. ROAD ORDERED BY JUDGE E. S. SMITH

### Property to be Sold in Parcels and Then as a Whole

(By The Associated Press) SPRINGFIELD, Ill., June 20.—Sale of the Chicago, Peoria & St. Louis railroad, running from Peoria to East St. Louis, was ordered today by Judge E. S. Smith in the Sangamon circuit court to satisfy prior lien bond holders of the road.

The decree of the court orders that the road shall be offered for sale both in its entirety and in parcels and the plan which brings the most money will be the plan adopted. Under the court order the line may be offered in eighteen parcels or the sections between Springfield and East St. Louis, between Pekin and Springfield, and between Jacksonville and Havana may be sold, but no one section may be sold and the other sections left unsold. The whole road must be sold or none.

The sale probably will take place some time after September during the September term of court.

"Nothing would please the court better with respect to this property," Judge Smith said, "than to hold it for the benefit of the people along the line of the property if it could do so. The court has no power to do it. It would not be upheld."

The sale can still be postponed, the court said, if the patrons of the road succeed in an actual accomplishment in their efforts to devise a comprehensive scheme for its operation.

The court said he wanted it to be understood that the decree itself does not "in any way provide that this road shall be discontinued."

The court's order in reference to the manner in which the road shall be offered for sale was as follows:

"I shall order that the master-in-chancery shall first offer for sale the eighteen parcels as set forth in the decree. He shall then offer as one parcel that part of the road between Havana and Jacksonville, including that terminal at Jacksonville; then offer for sale the part between Pekin and Springfield; fourth, he shall offer for sale the part between Springfield and East St. Louis, and fifth he shall offer the road for sale as an entirety. The master shall report the results of his offer to this court for its consideration."

The road has been in receivership under direction of the circuit court for nine years.

The bond holders requested that the road be sold over a year ago because, they contended, the road was losing many thousands of dollars a month by continued operation.

GOVER CLEVELAND'S SON IS MARRIED

Memphis, Tenn., June 20.—Miss Helen Douglas Gaylor, daughter of Bishop Thomas F. Gaylor, executive head of the Episcopal Church in America was married to Richard Folsom Cleveland, of New York, son of former President Grover Cleveland here tonight. Mr. Cleveland's mother attended the ceremony which was performed by Bishop Gaylor in St. Mary's Cathedral.

FARMER INJURED BY FRACTIOUS COW

Rockford, Ill., June 20.—A fractious cow which he was trying to lead today, strangely injured Henry Schreiber, Leaf River farmer, when a rope, becoming twisted around Schreiber's thumb, the member from the hand of Schreiber narrowly escaped death by loss of blood. He was dragged several feet before his thumb was torn loose.

## G. A. R. Speaker Urges Law Enforcement

(By The Associated Press) PEORIA, Ill., June 20.—James A. Willett, of Chicago, commander-in-chief of the G. A. R., was the principal speaker at the state encampment here today.

Speaking on the subject "Law Enforcement" he said the laws of our country must "be enforced or anarchy will reign."

"States that threaten to nullify the law of the land are setting a dangerous precedent," he said. "The United States must keep away from European alliances. Washington set the precedent, and we today can do nothing better than to keep out of the league of nations and away from entangling alliances."

During the afternoon session Champaign was chosen as the next convention city, altho Springfield

field and Waukegan made strong bids for the 58th annual encampment to be held in 1924.

Dr. William J. Libberton of the George H. Thomas Post of Chicago, was nominated unanimously for the office of department commander. His election is a foregone conclusion and will take place tomorrow.

Comrade Philip Smith, Post 67 of Peoria, was nominated senior vice commander; Thomas I. Murphy, Post 44 of Chicago, junior vice commander; R. L. Law, Post 45 of Galesburg, medical director. For the office of chaplain there is a contest between J. W. Miller, Post 146 of Bloomington and H. C. First, Post 243 of Rock Island. The contest will be decided tomorrow morning.

PRESIDENT MADE HIS FIRST SPEECH AT MARTINSBURG

Replied to Boy's Salutation With a Cheerful "Hello, There"

(By The Associated Press) ON BOARD President Harding's Special Train, Near Cumberland, Md., June 20.—President Harding made his first speech after leaving Washington for a 15,000 mile trip to the Pacific coast and Alaska today at Martinsburg, W. Va. It was addressed to a small boy in the streets who hailed the president and received in turn a cheerful "hello there."

The train had stopped for water when the president appeared on the rear platform. The small boy was the first to recognize the chief executive and called, "hello Mr. President." Others, including a number of railroad workers who had been waiting at the station followed the boy's example, shook hands and wished the president a pleasant journey.

A few miles out of Martinsburg the president, still on the rear platform, saw a scene which carried him back to the swimming hole days of his youth. In the foreground were a half dozen boys scantily clad enjoying refuge from the mid-summer heat in a pool formed by a little creek flowing down thru the hills.

Mr. Harding greeted the youngsters with a smile and a wave of his cap. The president spent the first hours aboard the train enjoying the scenery along the upper Potomac and in complete relaxation after the long hours spent at his desk in preparation of his more important addresses and in clearing up official business.

Release Prisoners

Washington, June 20.—Immediate release of more than a score of federal prisoners convicted of violating war laws but with continued detention of almost as many more, was ordered today by President Harding before leaving on his western trip. The president acted on 158 pardon and commutation cases, a record breaking number in the opinion of department of justice officials.

He granted 33 conditional and 14 unconditional commutations, one full pardon, restored civil rights to 27 former prisoners and denied 84 applications for pardons or commutations. He also ordered remission of fines in two cases.

BANKING POOL TO AID BROKERS

NEW YORK, June 20.—Formation of a banking pool to assist brokerage and banking firms likely to be inconvenienced by the widespread unsteadiness of investors and speculators thru the two large stock exchange failures since Saturday was under discussion in Wall street today.

Seymour L. Cromwell, president of the exchange told reporters this afternoon that he had heard such a suggestion but did not know whether it had passed the discussion stage.

Mr. Cromwell admitted that the failure of Zimmerman & Forsyth today could have been averted if the firm had had more time to negotiate a loan on its "frozen credits" which he said several banking firms would have been willing to participate.

Wall street was of a decidedly pessimistic frame of mind after the Zimmerman failure which was reflected in the sharp break in the stock market in which most of the leaders touched new low records for the year. Liquidation by frightened investors was reported to have reached a stage where outside assistance might be necessary to restore public confidence.

BRICKLAYERS GET \$2 PER DAY IN N. Y.

New York, June 20.—The bricklayers strike which retarded Metropolitan building construction involving \$175,000,000, ended late today when the Mason Building association yielded to the Union's demand for a wage of \$12 a day on a two year agreement.

OLD BROKERAGE FIRM FORCED TO WALL YESTERDAY

Crash Comes After Rumors of Failures the Past Week

(By The Associated Press) NEW YORK, June 20.—Caught in the maelstrom of rumors with which Wall street has seethed for the past few days, Zimmerman & Forsyth, one of the oldest and best known members of the New York Stock Exchange was forced to the wall today.

The crash coming on the heels of an announcement by President Cromwell of the exchange yesterday that an investigation had disclosed rumors of impending failure caused a bad break in the market, more than 80 of the most popular shares bogging to new low records for the year with losses of two to five points.

President Cromwell in an interview this afternoon, declared he was ready to repeat his statement of yesterday, that exchange officials knew of no member house that was in trouble. He admitted, however, that "any statement as to the condition of a brokerage firm is the statement of a moment, and is not a prophecy."

He would not hazard a flat prediction that none of the eight or nine firms concerning which rumors have been floated would not fail tomorrow.

Emphasizing the fact that his statement "was the statement of a moment," Mr. Cromwell disclosed that the business conduct committee of the exchange had had members of the Zimmerman & Forsyth house before it yesterday a short while before the optimistic statement was issued. At that time the firm was able to convince the committee he said that it would be able to pull thru, despite the heavy run which started Monday.

No fewer than six times this afternoon, he said he had received reports that the firm was on the verge of arranging a loan on the basis of its claims against the alien property custodian, for monies impounded during the war. But the negotiations fell thru and the firm closed its doors shortly after noon.

Filing of an involuntary petition in bankruptcy quickly followed and Gordon Auchincloss was appointed receiver in \$50,000 bond. The firm announced that its assets of \$1,000,000 and that it had assets of \$5,000,000. Inability to realize quickly on these assets, however, made it impossible for the firm to meet the run.

Thomas Cochran, a member of J. P. Morgan & Co., disclosed this afternoon the story of the frantic efforts members of the firm had made to induce the Morgan house to come to rescue.

PACKER MERGER HAS MADE NO DIFFERENCE

CHICAGO, Ill., June 20.—Everett C. Brown, president of the National Livestock Exchange and the Chicago Livestock Exchange testifying today at the federal hearing growing out of the Armour-Morris Packer merger, said that he had not noticed any great difference in competitive conditions in the industry since the merger. He said, however, that he believed there would be a lessening of competition if Armour and Morris ceased to operate as separate units.

Asked if the closing down of either Morris & Co. or Armour & Co. would seriously damage the industry, he replied that it undoubtedly would, and that it might take a long time, possibly several years to effect a readjustment.

He said that he would much rather see the merger of one of the concerns by the other than the closing out of either of them. "I would rather have Armour or Morris than Morris close up," he said, "but I'd rather see Armour or Morris & Co. than either."

CHECKROOMS ARE HELD RESPONSIBLE

Chicago, June 20.—Clubs, hotels and theaters which maintain checkrooms were held responsible for the apparel and valuables checked by guests and patrons, the appellate court ruled today in affirming a \$1,000 verdict in favor of Miss Mona E. Dunne, daughter of former Governor Edward F. Dunne, against the South Shore Country Club.

Miss Dunne's \$1,000 squirrel coat disappeared from the club check room during a New Year's Eve party in 1920.

SENATE KILLS TUCKER BILL

Madison, Wis., June 20.—The state senate tonight killed the Tucker bill which would have repealed the Savenon state prohibition law. The vote was 19 to 12. The action was taken when the bill was brought up for engrossment in the senate tonight. It had previously been asked by the house.

MAY ASK MEIKLEJOHN TO HEAD OKLAHOMA U.

Oklahoma City, Okla., June 20.—Dr. Alexander Meiklejohn, resigned president of Amherst College, may be approached by the board of regents of the University of Oklahoma, who are seeking a new president for the institution, it was learned today.

Frank Buttram, local member of the board, announced that he would present Dr. Meiklejohn's name at the next board meeting.

The University of Oklahoma has been without a permanent president since June 1 when Dr. Stratton D. Brooks retired to become president of the University of Missouri.

Rotarians Spend Wednesday At Play

(By The Associated Press) ST. LOUIS, Mo., June 20.—Entertainment and sports greatly overshadowed business for the thousands of Rotarians and Rotary Anns here today, the third day of their international convention.

Carefree and jovial, the majority of them cast off every care. Women visitors were special guests at various country clubs, a number of them participating in golf and tennis matches. Men and women were taken in automobiles to Scott Field, near Belleville, Ill., where an elaborate program was staged by aviators and parachute experts. A large body flocked to Sportsman's Park for the baseball game between the Giants and Cardinals. Hundreds were taken on a tour of the industrial plants of the city and for an inspection of a glass factory at Alton, Ill. Still another large group attended a special Rotary Golf tournament at the Glenn Echo Country Club where scores of Rotarians competed for three trophies and two extra prizes.

Nearly all of the delegates and visitors repaired to the Coliseum tonight for the President's Ball, the one annual social function of Rotary International, a more or less informal affair.

Measure was combined with business at more than a dozen district reunion dinners held at hotels.

Districts holding the dinners were the first, fifth, sixth, eighth, twelfth, fourteenth, fifteenth, twenty fourth, twenty sixth, twenty seventh, thirtieth, thirty first and thirty fifth.

An invitation to participate in the centennial celebration of the introduction of the independent government in South America was extended to the Rotary International by Professor Victor A. Beldande of the University of Lima, Peru.

The Mexican delegation formally invited the organization to host its 324 convention in Mexico City. The Rotary Clubs of Dublin, Belfast and London were cheered heartily at the convention today when a cablegram from Belfast, Ireland, was read stating that a joint meeting was held by these three clubs in Belfast yesterday.

CITY OF SAVANNAH IS UNDER CONTROL OF STATE TROOPS

(By The Associated Press) SAVANNAH, Ga., June 20.—This city was quiet tonight with state troops guarding the Chatham county jail where a mob early today made an unsuccessful attempt to seize Walter Lee, a negro charged with attacking a young married woman in West Savannah Monday afternoon.

Following the issuance of a proclamation by Governor Hardwick at Atlanta, declaring Savannah in a state of insurrection, Brigadier General R. J. Travis, commanding officer of the 118th field artillery was designated to take charge of the situation here.

It was stated that General Travis has approximately 45 officers and 325 men under his command here and it is not considered probable that other troops will be asked in the emergency.

Orders were issued early in the day prohibiting the sale of all firearms in the city, automobiles were forbidden to use the streets in the vicinity of the jail and no gatherings were permitted on the streets. Around the jail itself temporary breastworks have been built by the soldiers behind which are mounted several machine guns. Seventeen persons arrested last night in connection with the rioting were arraigned in city court today and bound over on charge of rioting and carrying concealed weapons. Belief was expressed by city and county officers tonight that the situation was well in hand and that there would be no further trouble.

The spirit of the rioters was broken shortly after 1 o'clock this morning after several hours of unrest in which several officers were struck by missiles thrown from the crowds and one man was killed by an accidental shot. Chief of Police Hendry was struck by a brick, but his injury was not serious.

After the soldiers were ordered out the crowds were forced from the immediate vicinity of the jail but it was not until the fire department turned several streams of water on the crowds that their ardor was dampened.

PULLMAN SURCHARGE REACHES HUGE SUM

(By The Associated Press) CHICAGO, Ill., June 20.—The Pullman surcharge in 1922 on all railroads was \$32,891,000, Charles M. Burt of the Grand Trunk Railroad and chairman of a committee of traffic men testified today at the interstate commerce commission hearing on a petition that the surcharge be discontinued. The petition was presented by the United Commercial Travelers' association.

Mr. Burt testified that between 1912 and 1922, Pullman traffic increased 38.5 per cent which coach traffic increased 2.4 per cent. He said that Pullman cars rarely were loaded to capacity and that the average number of passengers carried in a Pullman is 27 as compared with 69 in a day coach. The average number in a parlor car is 31, the witness said.

In support of the contention that railroads could not afford to continue the surcharge he presented exhibits to show that from 1920 to April 1923, eastern roads averaged a return of 3.57 per cent and the southern roads 4.33 per cent. The general average for the United States was 3.59 per cent, he testified.

ISSUES COMPANY BUILDING PROGRAM

Chicago, June 20.—A general statement outlining the opposition of the American Railway Express company to an increase of 15 cents an hour for expressmen, employed by the company and a revision of certain working rules established by the United States railroad labor board several years ago, concluded the expressmen's hearing before the board today.

L. R. Gwyn, assistant to the president of the American Railway express company, declared that the company could not afford to give the men the wage increase demanded if it was expected to give the public good express service and still maintain the present express rates.

GENOA HOTEL KEEPER IS KILLED BY TRAIN

Rockford, Ill., June 20.—Abe May, 74, a hotel keeper at Genoa, northeast of here, was killed and his body cut to pieces beneath a fast train when in trying to flag the train to stop on request of a traveling man guest he failed to step from the tracks when the train overran the station. The engine had to be jacked up to release parts of the body. May was a retired farmer widely known thruout Northern Illinois.

SUPREME COURT REFUSES TO AID

Springfield, Ill., June 20.—The supreme court again today refused to assist Ben Newmark and Michael Boyle, sentenced to six months in jail for contempt of the Lake county circuit court, to perfect an appeal to the United States supreme court.

A motion to advance the case on the docket and for leave to file additional suggestions of error was denied, the court holding it has no jurisdiction over the defendants.

Newmark and Boyle refused to testify in the investigation into alleged tampering with the jury in the trial of Governor Small at Waukegan.

RAUW CONFESSES THAT STORY WAS ENTIRELY FALSE

Man Who Said He Saw Mount Buried Says it Was all a Dream

(By The Associated Press) CLIFTON, Ariz., June 20.—Assistant State Attorney Charles S. Wharton left here this afternoon on his return trip to Chicago a few hours after B. H. Rauw, San Francisco traveling man had confessed the falsity of his story in which he told how a group of students buried a body in an Evanston pier the night Leighton Mount, Northwestern university student disappeared in September, 1921.

Rauw whose story caused a five day sensation and promise for a time to lead to a re-opening of the investigation of the Mount case faltered today when confronted with the necessity of affixing his signature to the type-written statement he made last night.

In the presence of Mr. Wharton and Sheriff Witt and County Attorney Ling of Clifton, Rauw was asked if he wished to sign the statement, having first been warned that if his story was proved false his signature would make him liable for perjury in Arizona and that his statement that he had received \$100 from the student group to remain silent concerning the burial would make him liable under the Illinois laws.

After a moments hesitation, Rauw replied that he wished to retract everything he had said.

Entire Story False

The entire story was false, he said, and had been invented by him in an effort to "cop something." Rauw did not explain what it was he expected to "cop" but said he had come to the conclusion that his plan would not work out.

Chicago officials first learned of Rauw's supposed knowledge of the Mount case from a letter mailed from Miami, Ariz., and signed by "Marquette."

When he had been traced to Clifton, Rauw offered to go to Chicago and tell his story if his expenses were paid. The assistant state's attorney was sent to Clifton with instructions to take Rauw back with him if he believed such a course was warranted.

In two interviews yesterday with Mr. Wharton, Rauw told of the burial party and picked out the photographs from a group of men from Chicago which he said resembled members of the party. Even before Rauw refused to sign a statement the Chicago officer expressed himself as dissatisfied with the story in which he said there were apparent inconsistencies and discrepancies.

No legal action will be taken in Rauw's case Sheriff Witt has announced. Rauw said this afternoon that it was his intention to leave Clifton immediately. During his talks with the officers Rauw claimed that he was badly gassed during the World war.

WHEAT GROWERS HAVE ORGANIZED NATIONAL COUNCIL

Several Resolutions Also Passed at Closing Session

(By The Associated Press) CHICAGO, June 20.—The national wheat council composed of representatives of all branches of the wheat industry was formed today at the concluding session of the two day meeting called by Governor J. A. O. Preus, of Minnesota for the consideration of the problems of the industry.

Resolutions adopted by the conference approved the investigation of freight rates on grain products now being conducted by the interstate commerce commission, urged development of waterways and suggested the stabilization of wheat values in the United States. Other resolutions approved a campaign to increase domestic consumption, suggested feeding of lower grades to livestock and urged scientific study of the problems of the industry by all elements.

A resolution introduced by Charles S. Barrett of Union City, Georgia, president of the National Farmers' Union, urging a world economic conference to be called by the United States, was lost by a rising vote of 25 to 56.

A substitute resolution by President Tromble of the Kenosha Farmers' Union demanding a special session of congress for the enactment of a measure creating a government grain purchasing corporation to guarantee a price of not less than \$1.50 a bushel for the 1923 harvest, was lost approximately by a two to one vote.

The following were named as the first board of directors of the National Wheat Council, to serve for a period of one year:

O. E. Bradford, president of the American Farm Bureau Federation.

Daniel A. Wallace of Minnesota, publisher, and brother of the secretary of agriculture; Julius Fleischmann of Cincinnati, president of the Taggart Baking Co.; Alexander Leck, president of the International Harvester Co.; F. Edson White, president of Armour & Co.; H. E. Byram, president of the Chicago, Milwaukee & St. Paul railroad; George C. Jewett of Portland, Ore., general manager of the American Wheat Growers' Association, Inc.; Robert W. Bingham, of Louisville, Ky., publisher of the Louisville Courier-Journal; Alexander Taggart, president of the Taggart Baking Co., Indianapolis, Ind.; Sidney Anderson, representative from Minnesota.

CHICAGO COUNCIL WOULD REPEAL LAW

Chicago, June 20.—The city council today adopted a resolution introduced last week by Alderman Coughlin calling on the state legislature to repeal the state search and seizure law. The vote was 28 to 8.

Leviathan Captain Praises Big Steamer

(By The Associated Press) ABOARD THE STEAMSHIP LEVIATHAN, June 20.—(By Wireless To The Associated Press)—The Leviathan "is sure to be the smoothest thing afloat," it was declared tonight by Captain Herbert Hartley after the big liner had been steaming along on her trial trip to West Indian waters for more than 24 hours.

Despite a heavy fog that kept the skipper on the bridge for eight hours last night he said the ship was "perfect, as if she had been running 20 years."

Captain Hartley said last night's fog was so heavy he could see but one of the vessel's three towering funnels.

Captain Hartley interviewed by newspapermen on board disclosed the fact that the ship has an uninvited mascot, a black cat, which turned up on deck today. The creature slipped by guards after the Leviathan sailed from Boston and was twice put off by the superstitious seamen.

Asked whether any more "stowaways" were aboard, Captain Hartley said the guests invited by Chairman Albert D. Lasker of the shipping board, brought laughter from the captain's listeners.

The guests have voted a high praise for the spirit of the officers and crew and their apparent pride in the reconditioned American ship.

**NOT BUILT FOR PROFIT**  
Like most pioneer railroads, the Alaska railroad built by the Government, does not pay. During the last calendar year the operating expenses were \$1,772,000 and the revenues \$718,000, leaving a deficit of a little over \$1,000,000.

The deficit need cause no concern. The road was not built as a money making enterprise. That is, it was not expected to pay operating expenses at first, or for many years. It was built to open up a new country with confidence that the expenditure will prove to be worth while in the development of a region of unknown but probably immense natural resources. The great gold rush is a thing of the past. The territory has settled down to conservative, steady and substantial growth, mining, fisheries, lumbering, stone quarrying, fur trading, and agriculture will be productive industries for all future time. The railroad will help materially from a financial standpoint and will be of far greater usefulness in adding to comfort and convenience.

## WHITE HALL CITY COUNCIL IN SESSION

Important Matters Given Consideration at Adjourned Session of City Council—Other White Hall Notes.

White Hall, June 20.—An adjourned session of the city council was held Tuesday night at which it was made known that all legal steps in the proceedings to establish a municipal electric system have been affirmed by legal authority, and proceedings with reference to the bond issue and getting work under way will now be in line. President Sampson, of the C. I. P. S. Company will be given a hearing by the council in executive session at an early date, this course being unanimous. An ordinance was ordered drawn for the construction of a concrete walk on the west side of Carson street.

Mayor Roodhouse presented numerous matters in an informal way for consideration. One of these is the matter of paving thru the city in the next two years, the population limit having been raised to such an extent that the state will do the work through White Hall. This will necessitate the abandonment of the present ornamental lighting system. The mayor also counseled the growing needs for parking and hitching grounds, particularly the former, and stated that Lowenstein & Sons will make the city a very attractive figure on their property on Carrollton street adjoining the hitching grounds on the south, located at the rear of the Lowenstein store. Arrangements were made for cleaning and painting the water tower.

The C. & A. was ordered to place a crossing bell at Tunison avenue, and at the appearance of a general demand for crossing bells the mayor cautioned moderation and understanding in the relations of the city and the railroad companies, it being a known fact that such crossing devices tend to encourage greater carelessness at railroad crossings, and besides undue and hasty demands upon the railroad could result in retaliatory measures that might be detrimental. There are to be a number of important railroad representatives visit White Hall on the occasion of the banquet on July 3rd in honor of Supreme Justice Floyd E. Thompson, at which guests of honor are to be members of the bar of Jersey Scott and Greene counties.

Charles Lyons has purchased the Ross restaurant on Sherman street, and is in possession. As soon as he becomes better acquainted with the business he will consider changes as requirements warrant. Lyons is a young man who has made his life work count for the best. He is the younger brother of William and Harry Lyons, so well known. He has successfully applied himself to every undertaking that speaks for success on this venture into the business field on his own account.

Patrons of the Chicago & Alton Railroad and the public generally over will be interested in the outcome of the case of James Mann, division freight agent, who is in a Chicago hospital where he underwent a minor operation last week. He has been in frail health for a year or more, and there is some concern about his recovery. Mr. Mann has been division freight agent with headquarters at Springfield since the C. & A. acquired the P. & N. line some twenty years ago, and is regarded for his conscientious application to duty in his relations with the public and the company.

Invitations are being extended to the bar of Greene, Jersey and Scott counties to be guests of the citizens of White Hall at a banquet in the First Baptist church on the evening of July 3rd in honor of Supreme Justice Floyd E. Thompson. It is anticipated that the event will be largely attended by the general public. The speaker will be Judge James M. Riggs of Winchester, who will review some of the early history of this section. The occasion will be on the eve of the larger event on the following day in observance of the Fourth of July, at which Justice Thompson will be the leading speaker, and Judge Norman L. Jones will be master of ceremonies. Judge Thomas Henshaw will preside at the banquet.

### ATTENTION G. A. R.

Regular meeting of Matt Starr Post on Friday at 2 o'clock. A full attendance is desired.

## UNIQUE IN MANY RESPECTS

Cosmopolitan, Yet Distinctly American, is the Capital of the United States of America.

During its history with a territorial form of government, the District of Columbia had two governors, Governor Cook and Governor Shepherd. President Grant appointed Governor Shepherd and stood by the governor in all the furious attacks made upon him in the stormy political strife that prevailed in the District of Columbia when the people had the vote.

The attacks upon Governor Shepherd became so fierce that he left the District after congress had killed the territorial form of government and established the present form; three commissioners appointed by the President; a District of Columbia committee, in both house and senate, was created and passes upon appropriations, schools and all matters pertaining to the government of the District and the city of Washington. There is no city in which the people of North, South, East and West meet and commingle as they do in Washington. Every accent in speech, and the colloquialisms of every state are heard there. Practically every nationality and country of the world is represented in Washington in the 34 embassies, and legations of foreign countries. But Washington is distinctly an American city in the make-up of its population. Practically all the officials, government clerks and employees are American born and come from every state.—Exchange.

## LOVE STORY IS IMMORTAL

Romance of Elaine, the "Lily Maid of Astolat," Subject of Great Verses by Tennyson.

Elaine, "the lily maid of Astolat," loved Sir Lancelot, but was not loved in return. Sir Lancelot was sworn to celibacy, and in addition his interest was centered in Guinevere, the queen. Elaine, realizing the hopelessness of her passion, died of a broken heart. In accordance with her last request her body, clad in white, and resting on the bed on which she died, was placed on a barge and guided by an old dumb servant to King Arthur's palace. In her right hand was placed a lily, and in her left hand a letter declaring her love. When the "dead steered by the dumb" reached the palace wharf, the king requested that the body be brought ashore. The letter was then read, and the departed buried in a manner befitting a queen. On the tomb was inscribed the sad narrative of Elaine's unrequited passion.

The story is derived from Sir Thomas Malory's history of Prince Arthur, and has been told in blank verse by Tennyson, forming one of the "Idylls of the King."

### Early Days of the United States.

Virtuous early geographers of the United States did not confine their unflattering portrayals to lands across the sea. Benjamin Davies, in 1813, had this to say about his own country in "Manners and Customs in the United States."

"Travelers have observed a want of urbanity, particularly in Philadelphia; and in all the capital cities an eager pursuit of wealth, by adventurous speculations in commerce, by land-jobbing, banks, insurance offices and lotteries. The multiplication of inns, taverns and dram shops is an obvious national evil that calls loudly for legislative interference; for in no country are they more numerous or more universally baneful. Schools are spread everywhere through the well-settled parts of the country, yet the domestic regulation of children and youth is not duly regarded."

**Red Coral Long Traded In.**  
Trade in red coral with the Far East began in very remote times. It is mentioned in a poem by the Chinese poet Yung Pal, who died in 117 B. C., and in the time of the Han dynasty. About 20 years later a traveler was sent from China to report on the coral fishery of the Mediterranean sea. At a later date it was introduced into the Chinese materia medica.

Reinach described the trade with the Celtic races in pre-Roman times. Specimens have been found in Britain and Ireland. The Romans stopped the trade with the Celtic races, however, in order to send the coral to India, in exchange for frankincense, myrrh, and precious stones.

**Ancestors of the Necktie.**  
The necktie came into use as something with which to warm the neck in cold weather. The ruff was the forerunner of the bit of color that is knotted at a man's throat today.

After the ruff came neckcloths of Brussels lace, which were at one time worn so long that the ends were tucked in the waistcoat. Later a broad silk ribbon was worn and the grandfather of the cake eater wore a cravat which passed twice around the collar. The modern scarf made its appearance about forty years ago.

**Softening Phonograph Tones.**  
Undesirable high tones, or "whistles," an annoyance commonly experienced by phonograph users, may be eliminated by the use of interference tubes. They consist of U-shaped metal appliances, designed to be incorporated in a main tube that is fitted between the reproducer and the tone arm of a talking machine. According to the inventor, the arrangement of bypaths for the sound waves causes certain of these to be considerably softened with but little loss in volume.

**Guessed It.**

Clerk—Beg pardon sir, but you have no account here.  
Customer—What! Why, I have had an account here for years!  
Clerk—Yes, sir; that's just it!

## UNIDENTIFIED MAN

KILLED BY FALLING BAR

Chicago, June 20.—An unidentified man was killed and another was injured when an iron bar fell from the second story of a building at 601 West Madison street today. One of the men

was dead when taken to a hospital and in his clothing were found a carpenter's union card bearing the name of Edward R. Mattner, Rockford, Ill., and a letter addressed to Edward Maatanen, 754 South State street Chicago, from the First State

Bank of Prentice, Wis., referring to a loan sought from the bank. The victims were struck by the falling iron which protruded from the building wall when a window washer stepped on it and narrowly escaped falling with it.

# Red Crown Is Quality Gasoline

It is made to generate power in your engine—the kind of power which makes you smile as your car goes spinning over the roads, up hill or down, without apparent effort.

It is a gasoline of high quality and the quality is maintained. You, who use it regularly, can absolutely depend upon it, for it is always the same and may be obtained everywhere—every few miles in the country and every few blocks in the city.

That Red Crown quality is sustained is evidenced by its continual use by 2½ million motorists.

# RED CROWN Gives Superior Service

It starts easily—summer or winter; it enables your car to get away quickly; to accelerate smoothly, and delivers to your rear wheels all the power and speed your car is capable of developing.

### DR. HOWARD RUSSELL SAYS PROHIBITION HAS COME TO STAY

**Action of N. Y. Legislature Will Have Little Effect**  
(By The Associated Press)  
LAKE GENEVA, Wis., June 20.—Dr. Howard Russell, founder of the Anti-Saloon League of America, and one of its executive secretaries, today said that prohibition has come to stay and that the action of the legislature and Governor Al Smith of New York, will have little effect on it. He addressed the annual Young Men's Christian Association student conference here on the subject of "law enforcement." He quoted figures from the federal government showing that there are 38,000,000 gallons of hoarded liquor in the country, in comparison with 284,000,000 in storage in 1914. The speaker said that the world would soon be rid of the

liquor traffic and quoted Lloyd George, former English premier, to the effect that "if America can enforce prohibition the British Isles will have it in ten years." "Three things are necessary for the enforcement of prohibition," he said. "The first is to continue the legal and legislative work; second, do more missionary work in foreign countries, and third, destroy anarchy."

### AWAIT ENTRY OF SHIPS WITH LIQUOR

(By The Associated Press)  
WASHINGTON, June 20.—Actual entry into American territorial waters of foreign ships with sealed stores of beverage liquor probably will be awaited by the United States government before announcement is made as to any course of action on its part. The new snarl developed in the ship liquor tangle by the apparent determination of some French and British ship owners for a test of strength puzzles treasury officials, they said frankly tonight. At the state department the inclination was to turn over the whole problem to the treasury which will be tomorrow to ascertain what it may or may not do. It was stated officially that a series of conferences undoubtedly would not be held before Secretary Mellon leaves Saturday for an extended trip to Europe. Both Mr. Mellon and Secretary Hughes are out of the city, but are expected to be back here tomorrow.

**M. E. Church Notes.**  
Lay election last Sunday sends E. L. Maine, delegate, Louise Pearce, reserve, and Henry Osburn, annual, to the conference at Champaign, Ill. Sept. 12. On account of the lack of co-operation in church attendance and other things the pastor and family will probably leave here soon after conference. Next Lord's Day 9:30 a. m., Sunday school lesson; 10:45, sermon, subject, "The Holy Fire From Heaven"; 6:30, Epworth League, leader, Louise Pearce; 7:30 sermon and installation of league of fliers will in all probability be conducted by Rev. A. E. Cole of Rod-house. Come! Rev. H. M. Ingram, pastor. The Epworth league officers elected last Sunday evening were: President, Mrs. G. N. Lucas; first vice president, Louise Pearce; second vice president, Alceitha Cuddy; third vice president, E. L. Maine; fourth vice president, Joe Ingram; secretary-treasurer, Faye Roe.

### ERWIN R. BERGDOLL WAS RELEASED ON BOND YESTERDAY

**Was Re-Arrested on Release from Leavenworth Prison**

(By The Associated Press)  
KANSAS CITY, June 20.—Erwin R. Bergdoll, wealthy Philadelphia draft evader, was arraigned in federal court here late today on a charge of conspiracy to evade the draft and released on \$10,000 bond. He was released at noon from the United States disciplinary barracks at Leavenworth, Kansas, but was re-arrested immediately by federal authorities and brought here. Bergdoll had served two years and ten months at the barracks, having been convicted by a court martial on a charge of desertion in time of war. According to Major J. A. Stevens, adjutant at the barracks, Bergdoll had given the authorities no trouble whatever during his confinement. "He has been doing the finest kind of work in the machine shop," Major Stevens said. "He was an ideal prisoner and an expert mechanic." Bergdoll was sentenced to four years but was given fourteen months off for good behavior. While in the barracks Bergdoll made an attempt to gain his freedom by habeas corpus proceedings but failed. He claimed that being a citizen a trial by an army court martial was not legal.

### MANCHESTER TAX RATE IS HIGHEST IN THE WORLD

London, (AP).—The debt of the city of Manchester is the largest municipal debt in the British Empire. The debt at the present time is estimated at 30 million pounds sterling and the assets of the city at 45 million pounds sterling.

To raise the necessary funds for municipal expenses and interest on the debt, the city council recently passed a bill providing for a rate of 12 shillings in the pound, or 60 per cent, for taxes for the coming year.

The assessable value in English cities, however, is not based on the value of the property but on the annual rental value. In the case of the city of Manchester its assessable value is higher than any city in Great Britain, which means that the inhabitants of Manchester are paying more taxes than any other people in the British Empire and therefore probably more than any other people in the world.

### ROTARIANS PLAY GOLF AT ST. LOUIS

(By The Associated Press)  
ST. LOUIS, Mo., June 20.—Local players carried off the honors in the Rotary International golf tournament which was held over the Glenn Echo Country Club course here this afternoon. Jack Hurd and Eddie Lassar won the team event with a total score of 165 and Hurd won the individual trophy for the lowest medical score with a card of 74.

By their sweeping victory the St. Louis players brought to America the Hunter International Golf Trophy which was in the possession of an English team. Hurd won the Clarksburg, W. Va. Rotary Club cup in the individual event.

Other leading scores were: Teams—C. A. Pifer and Robert Switzer, Quincy, Ill., 171.

J. N. Davis and W. T. Conkel, Pekin, Ill., 176.

Gene Unreiter and W. H. Jennings, Baltimore, Md., 180.

W. H. Glenn and Frank Feratlin, Atlanta, Ga., 181.

E. A. Bernstein and W. F. Barrett, Chillicothe, Ohio, 187.

Individuals: Homer Martin, Santa Barbara, California, 81.

Allen Guinn, Mineral Wells, Texas, 86.

E. J. Deaton, Mexico City, Mexico, 89.

Approximately 100 Rotarians, many from foreign countries, competed in the tournament.

### DEPUTY SHERIFF KILLED BY CONVICT

(By The Associated Press)  
ESCANABA, Mich., June 20.—Deputy Sheriff Frank Curran of Lathrop, was shot and killed today near Maple Ridge while trying to capture George Natchoff, an escaped life term convict from the Marquette state prison.

Natchoff with George Blochas, another life convict escaped June 15. The pair had been around Lathrop since Sunday.

Today a posse surrounded them and Blochas was captured by Deputy Sheriff Bert Ridges of Maple Ridge, after the convict was shot in the leg. When Blochas was taken by Bridges he said that Natchoff was well supplied with ammunition and that he intended "shooting it out" with officers.

Less than an hour later when Deputy Curran came upon Natchoff the latter opened fire. Curran lived but a few hours after being shot and was brought to Maple Ridge by members of the posse.

State police and county officers have surrounded Natchoff in a swamp. Blochas was brought to an Escanaba hospital.

Mrs. Dr. Hammon and son of Meredosia called in the city Wednesday.

### ITALIAN AMBASSADOR GETS DEGREE AT YALE

(By The Associated Press)  
NEW HAVEN, Conn., June 20.—No untoward incident marked the visit here today of Prince Gelasto Cactani, Italian ambassador to the United States who was given an honorary degree at Yale despite the distribution in the University section of hand bills protesting against his appearance.

Police used extraordinary precautions to secure the Prince's freedom of molestation and guarded him every minute of his stay.

While the distribution of hand bills attacking Mussolini and his government, included Prince Cactani, caused police to be unusually wary, plans had been made several days ago to insure the safety of the ambassador. There have been several clashes here between Fascisti and Anti-Fascisti.

Satisfaction is perhaps the one word which best describes the feeling of every Hupmobile owner.

Satisfaction—with the faithful way it performs the tasks he sets for it to do; with the fact that it requires next to nothing in the way of expert care and adjustment; with low costs that stay low all the year 'round.

Satisfaction, in short, because the Hupmobile always does the things he wants it to do in the way he wants it to do them.

## Up-to-the-Minute Costume for Girl in Her Late Teens

By JULIA BOTTOMLEY

Illustrated here is a beautiful and up-to-the-minute costume for the maid of sweet seventeen or more years. It has all the qualities that spell success for it will appeal to the most exacting and opinionated of young persons and at the same time win the approval of her elders—a consummation devoutly to be wished. Seventeen will like it because it is smart and because she wants things that are fashionable. This dress of crepe, of the street wear combines the plaid skirt and the embroidered overblouse that are triumphing everywhere, and it is finished with a kerchief-collared and looped girdle made of the plain crepe. A touch of graceful carelessness in the design looks its best on youth, but to

achieve it the hand of an expert is required. To copy it is an easy matter.

The round hat, of milan braid with brim and a portion of the crown overlaid with crepe, has for a trimming a large and saucy rosette of narrow ribbon in a contrasting color and it is just the type of hat to be worn with this dress. Printed crepe is attracting much attention for dresses in the ward robe of the young girl as are printed velvets and drop-stitch velvets and foulards. The printed fabrics are very often used in combination with plain material and they are especially well suited to the delightfully simple styles that are in vogue. (© 1923 Western Newspaper Union.)

**MAD RUSH TO COVER ON GERMAN BOURSE**

(By The Associated Press)  
BERLIN, June 20.—The financial reports from New York were about ten hours late in reaching Berlin today and the delay contributed greatly to a nerve wrecking day on the bourse. There was a mad rush to cover on stock trading as the market opened at 123,000 to the dollar and rallied to 101,000 only to slip back late in the afternoon to 117,000.

While the brokers were feverishly trying to reduce their losses down in the financial district, Chancellor Cuno sat in his Wilhelmstrasse office surrounded by the best financial talent available trying to find some means strong enough to stem the tide of the mark's depreciation. It is reported that no final conclusions were reached and that the conference will continue tomorrow, but that the fact that the chancellor is consulting the bankers is credited with having lent a certain amount of support to the German currency.

Today's halt in depreciation accompanied by the marks partial recovery seems to allay somewhat the fears recently entertained that working people might become unruly and initiate outlaw strikes.

rs. Cullion Tells How Lydia E. Ankham's Vegetable Compound Saved Her from an Operation

Muskegon, Michigan.—"After doctoring for eight or nine years with different physicians without any relief, at last, they said that medicine would not reach my case and I should have an operation. I had heard of Lydia E. Ankham's Vegetable Compound and often saw it advertised in different papers.

Here some women had suffered just as I did and got well and strong again by taking the Vegetable Compound. I decided to see what it would do for me, and before I had finished the fourth bottle I was much better, the sickness stopped and the severe pain in my sides left me. I am now much stronger and do my own work in the factory besides. I am still taking the Vegetable Compound and give it all the praise."

—Mrs. WELLES CULLION, 17 Morris St., Muskegon, Mich.

Women should heed such warning symptoms as bearing-down pains and venkars, for they indicate some female trouble, and a persistent and faithful use of Lydia E. Ankham's Vegetable Compound will restore the

**CAMP AT MATANZA**  
Mrs. T. V. Hopper and children Faye, Tommie and Johnnie accompanied by the children of J. E. Osborne, have left for Matanzas beach where they will occupy the Osborne cottage for a week.

Miss Josephine Ross recently left for Pasadena, California, and after a visit there will go to Los Angeles to spend the summer.

Little Wilma Ross is spending the week in Chapin visiting her grandmother Mrs. Ada Funk.

Mrs. Lloyd Ross will leave today for a visit in Chapin with relatives.

**FORECLOSURE SUIT FILED**  
A foreclosure suit was filed by C. O. Bayha as trustee against E. L. Vaughn et al. An indebtedness of \$1,000 is indicated, the property involved being in Park Hill addition.

**LEAVES HOSPITAL**  
Mrs. Annie Coultas left Passavant hospital yesterday and returned to her home in Winchester. She was accompanied home by Miss Dora B. Moore, R. N.

## REDS TAKE THREE OUT OF FOUR FROM DODGERS

CINCINNATI, O., June 20.—Cincinnati made it three out of four from Brooklyn today by winning handily behind Benton's effective pitching. Vance who shut out the locals with one hit on Sunday tried to come back but was taken out in the fourth inning. A great catch by Roush of DeBerry's long fly in the fourth was the fielding feature. The Reds won 12 of 13 games played with eastern clubs during the home stay which closed today.

Score:  
Brooklyn . . . 100 000 000—1 5 1  
Cincinnati . . . 101 000 02x—4 8 1  
Vance, Decatur, Smith and Deberry; Benton and Hargrave.

**FARM BUREAU NOTES**

**Plant Disease Survey**—Paul A. Young, Botanist in the Illinois Plant Disease Survey, will be in this county on June 22nd, to make an inspection of wheat fields for plant disease. He is interested in diseases of any of our economic crops. He will spend but one day here.

**Fine Field of Alfalfa**—L. J. Stewart of Sinclair has a very satisfactory field of alfalfa. Five acres yielded 550 bales last year. The first cutting will yield around 200 bales this year. This field has had 5 tons of limestone per acre.

**Two Methods of Seeding Soybeans**—Our farmers seem to have adopted one of two methods of seeding soybeans. The first is to drill them in with a corn planter and cultivate them like corn; the other is to get the ground in fine physical condition and drill them in solid with a grain drill. John Adkins of Prentice has a promising field put in the latter way.

**Clark's Chapel Pig Club**—Earl Cox has done a great deal towards starting this local unit. Loren Moody, Louise Nicholson and Glenn and Norma Strickler have secured pigs and are nicely started. Each farm has been placarded with a poster showing the boys and girls are enrolled in the pig feeding contest.

**Turkey 10-110**—This variety was first introduced into Morgan County by Yuba Funk last year. H. E. Kitner and R. L. Harney are two other farmers who are making a trial of this variety of meat this season. They report that the heads are considerably longer than those of Turkey Red. Requests coming in for Harvest Help—Quite a number of farm bureau members have filed requests at the farm bureau office for wheat shockers. Those in charge of the office will be very glad to enroll residents of the town who are otherwise engaged for the most of the year for this emergency work. Some farmers have jobs that will last for two weeks. A few want to engage a man to go right thru threshing.

**WILL LEAVE TODAY FOR WESTERN TRIP**  
Mr. and Mrs. J. E. Osborne will leave today for a thirty day's trip to the west. They will go first to Colorado Springs, and later will visit Mr. Osborne's brother Charles in Bozeman, Mont., and another brother, Robert in Idaho. Mr. and Mrs. Osborne will spend a number of days in Yellowstone park before their return.

## DETROIT GETS EVEN BREAK WITH YANKS

NEW YORK, June 20.—Detroit got an even break in its four game series with the New York Americans winning a slugking match today, 9 to 7. Third Baseman Fred Haney sprained his right ankle in the first inning when he tried to get away from Ward. Jones, out for weeks with an injury, played third base but limped badly. Cobb's infield problem was further aggravated when first baseman Blue, knocked out yesterday by a batted ball was unable to play today.

Score:  
Detroit . . . 000 203 301—9 17 1  
New York . . . 300 003 001—7 14 0  
Pillette, Holloway and Woodall; Basser; Pennock, Bush, Hoyt and Hoffmann.

## INDEES GETTING STIFF WORKOUTS

The Indees had a stiff workout Tuesday evening and another practice is called for this evening at which all players are supposed to be present. Manager Smith has made several changes in the lineup which will be announced later in the week.

The local team will play the O'Connells here Sunday with Ira Fanning on the rubber and next Wednesday the 27th game will take his aggression to Rushville for a game on that day.

## STRANGLER LEWIS GRANTED DIVORCE

Wisconsin Rapids, Wis., June 20.—Robert Fredericks, better known as Ed ("Strangler") Lewis, world's heavyweight wrestling champion, has been granted a divorce from Dr. Ada Scott Fredericks, it was learned today. The divorce was granted by Judge Byron B. Parks in circuit court at Stevens Point, Wis.

## JOIE RAY FAILS TO BREAK RECORD

Cambridge, Mass., June 20.—Jole Ray today failed in his second attempt this month to break the world's record for the mile at the Harvard Stadium. The Illinois speedster's time was 4 minutes 15-1-5 seconds as compared with the record of 4 minutes 12-3-5 seconds. He won the race over three Harvard runners to whom he conceded handicaps up to 150 yards.

Mr. and Mrs. Harvey Green of Winchester passed thru the city Wednesday morning on their way to Springfield.

## Market Report

## HEAVY SELLING TUMBLES WHEAT

CHICAGO, June 20.—After an-  
nouncement of an important fail-  
ure on the New York Stock Ex-  
change heavy selling here tumbled  
September and December wheat  
prices down today to a new low  
record for the season. July wheat  
was weaker, but kept above the sea-  
son's low record for the July de-  
livery \$1.01½ made on October 5.  
Last, today's close was nervous  
at 2½ to 3½ decline with July and  
September both at \$1.03½ to \$1.04  
and December \$1.06½ to \$1.06½;  
corn lost ½ to ¾ and oats ½ to ¾  
to ¾c. In provisions the outcome  
varied from unchanged figures to  
27c down.

At first the wheat market had  
a noticeable upward tendency that  
proved to be due chiefly to im-  
proved prospects of export busi-  
ness. Extreme cold weather in  
France and Great Britain was cit-  
ed in this connection. Suddenly  
however, wheat selling here wid-  
ened and buying power largely  
gave out when word came that  
suspension of a New York stock  
market firm involved liabilities  
of \$7,500,000 in some quarters.  
The late weakness of the wheat  
market was ascribed more or less  
to bearish sentiment, growing out  
of attacks made here yesterday  
against alleged discreditable meth-  
ods of grain dealing and to wide-  
spread circulation of esti-  
mates indicating that wheat stocks  
were burdensome. Against this  
view was the fact that the bulk  
of the heavy selling here yester-  
day came in the last half of the  
board of trade session when atten-  
tion had focused on the bearish  
news from Wall Street.

Corn and oats receded with  
wheat but only after corn had  
equalled the season's previous top  
price record and profit-taking had  
set in. Despite an upturn in the  
hog market provisions had re-  
flected the late weakness of grain.

## WHEAT IN CASH MARKET EASIER

CHICAGO, June 20.—Wheat in  
the cash market today closed 1½  
c easier; premiums and discounts  
were unchanged. Domestic ship-  
ping sales here were only 50,000  
bushels. Corn finished unchang-  
ed to ¼c lower. Premiums were  
1½c lower. Domestic shipping  
sales here were 50,000 bushels.  
Oats closed unchanged to ¼c off.  
Premiums were unchanged from  
No. 2 white and unchanged to ¼c  
better on No. 3 white. Shipping  
sales here were 50,000 bushels.  
Cars inspected weigh 11; corn 47,  
oats 50.

## PRETTY WEDDING AT MURRAYVILLE CHURCH

Miss Clara Millard Became Bride of Floyd Smith of Durbin Wednesday Evening at Murrayville M. E. Church.

The M. E. church at Murrayville was the scene of a beautiful and impressive wedding ceremony, when Miss Clara Millard of Murrayville became the bride of Floyd Smith of Durbin. Rev. W. C. Harris pastor of the church, officiated, the impressive ring ceremony being used. About two hundred relatives and friends of the young people witnessed the ceremony.

Preceding the ceremony Miss Stella Cunningham sang "I Love You Truly." The bride party entered the church to the strains of the wedding march played by Mrs. Nettie Millon.

The bridesmaid was Miss Velda Millard, sister of the bride, and Byron Smith, brother of the groom, was the best man. Little Miss Sarah Millard was the ring bearer and Little Mildred Rimbey, Dorcas Mehrhoff, Lloyd Tendick and Robert Paul Carlson completed the wedding party.

The bride wore a gown of white Canton crepe and carried a bouquet of bride's roses. The bridesmaid's gown was of blue crepe de chine and her bouquet was of pink roses.

Following the ceremony a reception was given at the home of

the bride's parents, Mr. and Mrs. Bert Millard. Music throughout the evening was furnished by the Murrayville orchestra and an elaborate supper was served.

Mr. and Mrs. Smith will leave today for a wedding trip to Olney, Illinois, and upon their return they will be at home on a farm near Durbin.

Among the guests at the wedding were Mr. and Mrs. Jay Millard of Springfield and John Williamson of Bluffs. There were also a large number of Franklin and Durbin residents in attendance.

The bride is one of the most popular young women of Murrayville and her numerous friends there are regretting the fact that she is no longer to be a resident of that community. She has, in the past several years served most acceptably as a teacher in the Morgan county schools.

Mr. Smith belongs to a well known family of the Durbin neighborhood, being a son of Mr. and Mrs. Thomas Smith. He is a farmer by occupation and he and his bride are to make their home on a farm near Durbin church. A host of friends extend the best of wishes for a happy wedded life.

## DOKAYS WILL LEAVE FOR PORTLAND, AUG. 9

Twenty-eight Expected to go to Imperial Palace from Ilderim Temple—Will Occupy Special Train with Illinois Delegation.

Those in charge of the delegation to be sent from Ilderim Temple, D. O. K. K., to the Imperial Palace at Portland, have made twenty-eight reservations at the Hotel Multnomah for the local drill team and delegates. The Dokays will leave here on the Hummer Thursday morning Aug. 9. After spending a day in Chicago they will leave over the C. M. and St. P., on a special train bearing the Illinois delegation for Portland, Ore. Other drill teams on the train will be those from Peoria and Peru.

The team is in excellent shape and has drill practice each Tuesday night. As the time approaches for their departure, drills will be held twice a week. Members of the team are: E. C. Strandberg, William Winchester, Garland Withee, Porrest Canady, Wilbur Hauck, George Green, Kenneth Martin, James Guyette, Frank Jones, Frank Kennedy, Harry McEvers, Leo Suiter, Walter Ahlquist, Alfred Smith, Howard Reynolds and Clarence Swaby. Eugene Darr is an extra man on the team and Charles Rinehart is the captain.

Thousands of Dokays are expected to attend the Imperial Palace session this year. It is expected that a caravan of six hundred autos bearing teams and delegates will go from California.

## MRS. AUGUSTA ISRAEL DIES AT MURRAYVILLE

Former Resident of Greene County Passed Away at Murrayville Last Night—Funeral to be Held Friday.

The death of Mrs. Augusta Israel occurred at 9 o'clock Wednesday evening at the home of her niece, Mrs. Mary E. Wright in Murrayville. The deceased had been ill for the past fifteen weeks and her condition for several days had been such as to indicate that death was near.

The deceased was born in Jersey county but spent the greater part of her life in White Hall. She was a daughter of the late Mr. and Mrs. John Grimes, and in early womanhood was united in marriage to James Israel, who passed away years ago.

The deceased was 74 years of age at the time of her death, and was the last of her immediate family. She is survived by the following half sisters and half brothers: Mrs. Julia Dixon, White Hall; Mrs. Dora Amos, Roadhouse; John Grimes of Oklahoma and Charles Grimes of Springfield. She also leaves one step-sister, Mrs. Emma Israel of Granite City and a number of other relatives.

Mrs. Israel was a member of the M. E. church and her life was one which was fully in accord with the teachings of that denomination.

The funeral service will be held at the M. E. church in Murrayville Friday afternoon at 1:30 o'clock, with burial in White Hall.

## MURRAYVILLE CLUB IN FINAL MEETING

The Murrayville Domestic Science club held the final meeting of the club year yesterday afternoon at the home of Mrs. R. D. Mawson, the president. At the business session an election of officers was held, the following being named:

President—Mrs. R. D. Mawson. Vice President—Mrs. Charles Collins. Secretary—Mrs. Harry Strang. Press Reporter—Mrs. J. L. Solomon.

Roll call was responded to with "Salads of the Nations." An excellent paper was presented by Mrs. Harry Strang, on "Helpful Things in the Home." This was in reality a collection of very much worthwhile suggestions for the home. Mrs. Maude Rimbey's paper on "The Pioneer of Illinois," and was heard with deep interest by all those present. The hostess served delicious refreshments during the social hour which followed the program.

## MOONLIGHT EXCURSION PLANNED BY SCOUTS

A moonlight excursion on the Illinois river is being planned by Troop 7, Boy Scouts, of this city. If the plan is carried out one of the steamers of the Wisconsin line will be engaged, probably the Majestic or G. W. Hill. The boat will travel from Meredosia to Valley City landing and return. The troop is reorganizing and the money gained by the excursion will be used to defray the expenses of a camping trip this summer. Tickets will be sold by the Scouts both here and in neighboring towns.

## GOLD MEDAL SHOWS TO APPEAR

The Gold Medal shows which appeared here last summer will return Sunday and will show on the Cannon lot on North Main street next week. The advance man with his wife was here Tuesday and Wednesday making arrangements for the appearance of the show here.

Jacksonville Lodge No. 570 A. F. & A. M. will hold a stated meeting to-night at 7:30. Visiting Brethren welcome.

## MARRIED AT HOME IN WESTERN STATE

Miss Dorothy Landers is Bride of A. C. Darland of Tacoma.

The Summer, Washington, News Index, gives the following account of the marriage of Miss Dorothy E. Landers to A. C. Darland. The Landers family were formerly residents here.

At a quiet wedding at the home of Mr. and Mrs. J. D. Landers in North Puyallup, occurred the marriage of their daughter, Dorothy Ella, to Alvin C. Darland of Tacoma. The ceremony was performed by Rev. Sargent of Tacoma in the presence of members of the families of the bride and groom, in a setting of early summer flowers, with which the bride's sister, Miss Helen, had beautifully adorned the rooms for the bridal.

Following the congratulations and a collation, the happily wedded couple left on a motor trip to Vancouver, B. C., returning a few days ago to their home for the summer at American Lake.

The bride is a graduate of the Puyallup high school, class of '18, and since for three years has been associated with Miss Leadora Baker of the Elite millinery. She was with Miss Baker when the latter conducted her millinery parlors in Summer, and formed many pleasant friendships, and will enter her married life with the best of wishes from all who knew her.

Mr. Darland graduated from the University of Washington, and also attended an electrical tech school at Schenectady, N. Y. He is now superintending electrical engineer at the new Cushman power plant in Tacoma. Mr. and Mrs. Darland will be at home to their friends in the early autumn at a new home in the North End, Tacoma, for which plans are now being drawn.

## MISS FAIRBANK MADE INTERESTING ADDRESS

Miss Marian Fairbank made an interesting address last night at Congregational church on her work in the backwoods of Alabama. She is an instructor in a high school operated on funds donated by benevolent people, it being also the only high school in eight counties around and devoted to the education of enterprising young white people.

There are 100 young people enrolled in the school and many more would enter if the school had the facilities to care for them. Many of the young men are interested in becoming ministers. The country around the school has many churches, but the ministers are in the main ignorant and educated pastors are one of great needs of the community.

The district is largely agricultural and fruits are the main product, strawberries being first among these. Cotton and corn are also grown. The country is of black clay soil and is hilly. It has been largely deforested and the state is doing all that is possible to encourage the people to plant trees for the benefit of their descendants.

## LEAVE TO ATTEND CANADA MEETING

Miss Ruby Molohon left Wednesday morning for Belleville, Canada, to attend the convention of teachers of the deaf. Among other teachers from the Illinois School for the Deaf who are expected to attend the convention are Miss Emma Solberg, Miss Eva Williams, Miss Davis and Miss Lowe. Col. and Mrs. O. C. Smith have also gone to Canada and will attend the meeting.

## ART POSTERS NOW IN STORE WINDOW

The art posters illustrating advertisements of popular books, which have been on exhibition at the public library, are now displayed in the window of Lane's book store. The posters were planned and made by children of the junior and senior high schools, under the direction of Miss Harriet Sibert, art instructor. They represent problems assigned to the art students during the year's course.

## WILL SPEAK TODAY AT KIWANIS MEETING

## COMMITTEE PLANS PROGRAM FOR FOURTH

Day Will be Filled With Interesting Events—Historic Pageant Among Features.

A meeting of the 4th of July committee which is composed of Dr. G. H. Kopper chairman; Harlan Lane, M. E. Gilbert, Harlan Williamson, J. H. Dial and Arthur Cody was held in the Chamber of Commerce rooms at 4 o'clock yesterday afternoon at which time plans were made for the morning celebration on the 4th.

Miss Mary C. Matthews who has had years of experience in directing pageants was present and was selected as director of the historical pageant which will be part of the 4th of July celebration. This pageant will represent the singing of the Declaration of Independence and the events preceding it. It will also picture the formation of the Monroe Doctrine, and it is planned to have the making of the first flag, this feature to be under the direction of the D. A. R. Miss Matthews will have her headquarters in the Chamber of Commerce rooms during the preparation.

It was suggested at the meeting that an amplifier be placed on the north side of the square so that all can hear the spoken parts during the pageant.

The Boy Scouts, National Guard, D. A. R., American Legion, U. S. W. V. and G. A. R. will be asked to cooperate in this pageant. Five hundred placards have been printed and a great many have already been placed in the stores and it is intended to place the rest of them today. The committee will meet again Sunday morning at 9 o'clock.

The program for the day on the 4th is as follows:

9 to 10—Band Concert on the north side of square.

10 to 11:30—Historical pageant on north side of square.

2 p. m.—Matinee races at the Fair Grounds in which about 40 horses will be entered.

In the evening the citizens are asked to co-operate with the State Hospital where a number of vaudeville acts will be given and a grand display of fireworks will take place. The music for the hospital during the evening will be furnished by the Illinois Watch factory band of Springfield.

The concessions will be in charge of the American Legion.

All citizens are cordially invited to attend all of the day's program, with the exception of the races in the afternoon for which a charge will be made.

## SPEAKS REGARDING CARE OF ANIMALS

In speaking of the coming hot weather yesterday one of the local veterinarians of this city made some very pertinent remarks regarding the care of all kinds of animals during hot weather.

Work horses would have better health and would do better work and stand the work far better if they were given a drink in the middle of both the morning and the afternoon. All other animals should be provided with a plentiful supply of pure water during these hot days not only from a health standpoint but also from a humane view.

## MR. STAFFORD TO SPEND SIX MONTHS IN EUROPE

Friends of Walter D. Stafford, violin master at the Hill School in Pottstown, Pa., have heard that he has been granted a leave of absence from his duties, in his own words, "a Sabbatical" half year, with salary. He intends to spend the time in Europe, embarking on July 2 for Naples, then on to Genoa, and thru Italy up to Vienna, Austria. There he expects to meet friends whom he has not seen in 17 years and consult with some famous physicians in regard to his ear trouble. At the end of the period he hopes to return improved in every way.

## PETERSBURG GETS NEW FIRE ENGINE

Several weeks ago the members of the city council of Petersburg visited this city for the purpose of inspecting the new American LaFrance fire engine recently purchased by the city and as a result of their investigation they have ordered an exact duplicate for Petersburg. The machine is expected to arrive in Petersburg in a short time and Fire Chief Hunt will probably witness the test when it arrives.

## SOME FINE CHERRIES.

This seems to be a great year for cherries. One of the most extensive local growers is Prof. T. P. Carter, who has more than two acres in a cherry orchard at his home, 475 Lincoln avenue. They are Montmorency cherries and a sample left in the Journal office window yesterday showed them to be especially large and juicy.

## VERDICT FOR MR. ARNOLD IN DAMAGE SUIT

In the damage suit of A. D. Arnold against Lewis N. Wilson in the circuit court yesterday a jury returned a verdict of \$200 in favor of the complainant. The suit grew out of a happening on the hard road east of Jacksonville several months since, when a car Mr. Wilson was driving came into collision with horses owned by Mr. Arnold. Previously Mr.

Wilson sought to recover damages from Mr. Arnold.

The complainant was represented by Walter W. Wright and the defendant by W. T. Wilson and Carl Robinson. The jury included John Taylor, Harry Phillips, Robert Rook, Frank Robinson, Matthew Wagner, John Hunter, Lloyd Zimmer, T. O. Morris, Arthur Rowland, Raymond Massey, Earnest Watts, Frank Wagstaff.

'Ideal' Breads

IDEAL BREADS

For bread to be good it must be made in immaculately sanitary surroundings. Not only must the ingredients be pure and of the highest quality, but even the air in the bakery should be filtered, humidified, and kept at just the proper temperature.

Made in the most modern of bakeries under sanitary conditions that rival perfection, are hardly touched by human hands during the entire process of making. Remember in the morning when you order to specify IDEAL Loaf.
